RISK STATEMENT

Rule 4 of the Racing Rules of Sailing states "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in Flushing Sailing Club racing, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew, their boat to such inherent risk whilst taking part in Flushing Sailing Club racing;
- (b) They are responsible for the safety of themselves, their crew and their other property whether afloat or ashore; further each competitor is reminded that they are required to offer assistance to another competitor in difficulties;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions and omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- (f) For offshore races they are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew;
- (g) It is their responsibility to familiarise themselves with any risks specific to the venue or event drawn to their attention in any rules and information produced for the venue or event and to attend to any safety briefing held for the event;
- (h) Flushing Sailing Club cannot provide patrol boat / safety boat cover for the duration of the racing.
